## Alcoa Fall Leaf Collection Ends

The City of Alcoa will end curbside leaf collection the week of January 12-15, 2010.

All leaves to be collected should be at the street by 6:30 a.m. on Tuesday, January 12. Each street will receive one service during that week. After that service is delivered, any other leaves must be bagged and placed at the curb for collection by the City's brush trucks. During the City's Spring Leaf Pickup (March 16 through 26), the vacuum collectors will again be used for the pickup of loose leaves.

Questions concerning leaf collection or any other Sanitation service may be directed to the Alcoa Public Works Department at 380-4815 or 380-4800.
